

Dear Sir or Madam,

It's Shannon from CHUF and I am wondering if your school or nursery could get involved in our annual **Wear Red for CHUF Day on Friday 17th February 2023.**

The person who has handed you this letter is a supporter of ours and is someone who has a connection with CHUF, and let me tell you why that might be...

CHUF supports the children and families who receive treatment at the Children's Heart Unit based at Freeman Hospital and the many other hospitals providing cardiac care for patients throughout the North-East of England. We raise vital funds for pieces of equipment, facilities, aftercare, salaries and research. Freeman Hospital is also one of only two hospitals in the UK performing heart transplants for babies and children.

Back in 2019, we organised our first Wear Red for CHUF day, to raise awareness of CHUF but also to celebrate the incredibly brave, babies and children call Heart Heroes and raise vital funds along the way.

Over the past four years, we have seen schools, nurseries and businesses get involved in our [#WearRedForCHUF](#) campaign, wearing red and organising anything from bake sales to raffles with a suggested donation of £1 to CHUF.

If this sounds like something you'd like to get involved in, then please either scan the QR code at the bottom of this letter or follow the link below to sign up for a Fundraising Pack - <https://www.chuf.org.uk/get-involved/fundraise-for-chuf/heart-month-download-your-fundraising-pack/>
